OVENTE Margarita Machine and Frozen Drink Maker with 350W Power, Easy Spout Dispenser, Stainless Steel Blade, 48-Ounce Electric Blender for Smoothies, Margaritas, Daiquiris and Slushies, Black BPM12B

Key Features

- POWERFUL, FAST & EASY – With a 350W motor, this tabletop margarita maker is your go-to appliance for whipping up delicious frozen drinks in seconds. It quickly shaves ice to the perfect consistency, delivering smooth, refreshing margaritas, smoothies, frozen cocktails and more. The perfect companion for parties, gatherings or anytime you're in the mood for a chill treat.
- EFFICIENT MIXING – Make every party a hit with this blender and Margarita maker, designed for smooth, hassle-free blending. Equipped with a stir accessory, you can easily mix thick or dense ingredients directly in the blender jar, no more stopping to scrape the sides. Ideal for any fiesta, family gathering or weekend indulgence, it's the ultimate tool for quick, delicious drink-making.
- SIMPLE OPERATION – Making your favorite frozen drinks has never been easier. Just fill the chamber with regular-sized ice cubes, add your favorite liquor, drink mix, or fresh fruit to the pitcher, set it in place and start blending. This machine dispenses consistently smooth frozen drinks with a quick flip of the lever-style handle, delivering an effortless and fun experience every time.
- DURABLE & CONVENIENT – Designed with a 1.5L plastic jar with built-in tap, this margarita machine is perfect for serving up your favorite slush drinks and frozen cocktails with ease. The durable stainless steel blade ensures even, fine ice crushing for smooth, consistent results every time. Equipped with anti-slip feet for added stability, it's easy to

use and simple to clean.

- US-BASED CUSTOMER SERVICE LETS YOU BUY WITH CONFIDENCE – OVENTE warranties that the product shall be free from defects in material and workmanship under normal use and conditions, for 1 year from the original purchase date.
