

# Ovente 7.5" Lighted Tabletop Vanity Makeup Mirror, 1X & 10X Magnifier, Spinning Double Sided Round LED, Dimmable 3 Tone Smart Touch, Auto Shut Off Timer, Nickel Brushed MPT751BR1X10X

## Key Features

**Dual-Sided & 10x Magnifying** – This two-sided 360° swivel design luxury mirror features 1x & 10x magnifications. 1x (full-face view) and 10x (to see every detail up close).

**Smart Touch, Dimmable 3 Tone LED Ring Light** – Choose Cool, (bright & clear) Natural, (replicates daylight), or Warm, (date night & special occasion) with a touch of the mirror.

**Concave Lens** – Creates the magnification side. For a clear, undistorted view, look into the mirror at 4.2 inches or closer (See Maximum Distance Recommended Guide).

**Auto-Shut Off** – Equipped with a timer that shuts off the mirror automatically after 15 minutes of inactivity for convenience and to save energy.

**US-Based Customer Service** – Buy with confidence! Ovente warrants that the product shall be free from defects in material and workmanship under normal use and conditions, for 1 year from the original purchase date.
