

Ovente Electric Hot Water Kettle 1.8 Liter with ProntoFill Lid (KP413 Series)

Key Features

PRONTOFILL™ LID - This 1.8L electric kettle features Ovente's patented ProntoFill™ lid. First of its kind in the market, this easy-fill solution is a pioneer in electric kettle technology: you fill it up without opening the lid!

SAFETY FEATURES - Equipped with an auto shut-off feature that automatically shuts off the kettle once heating is completed, and boil-dry protection technology which prevents it from heating up should someone inadvertently switch it on when empty.

INDICATOR LIGHT - Lets you know when your kettle is heating. Press the switch at the base of the kettle, and it illuminates red. Once boiled the switch lifts up and the red light shuts off. For your convenience the base has built-in cord storage slots.

REMOVABLE SPOUT FILTER - To ensure that you get debris-free water every time, the spout has a removable filter that is easy to remove and clean. Simply slide it out and then slide it back in.

WARRANTY - Two-year limited warranty on domestic (USA) repairs and replacements on workmanship and materials from date of purchase from authorized reseller. International inquiries please contact manufacturer customer service directly for assistance.
