

Ovente Electric Stainless Steel Milk Frother, Coffee, Hand Held, Silver (FRS1010S)

Key Features

Compact and Simple - Just press a button, and it's ready to start whirring, prepped to give you a lather of froth.

Sleek Design - Slender, smooth and eye-catching; space saving while its silver finish makes a bold statement.

Budget Friendly - You won't regret banking on an Ovente product; made specifically to suit your needs.

Battery Operated - It's powered by 2 AAA batteries that can run for hours, without the burden of knotted cords.

Warranty - This Ovente product comes with a one (1) year warranty, available from the date of purchase from an authorized retailer.
