

# Ovente French Press 34 oz Coffee Tea & Espresso Maker Heat Resistant Borosilicate Glass Portable 4 Filter Stainless Steel System Pitcher for Camping Home Office Dorm Bonus Scoop BPA Free Black (FPW34B)

## Key Features

**Fresh, Aromatic & Exquisite Coffee** – Drinking coffee using your Ovente French Press becomes a sensory experience that paints the tongue. This press preserves the naturally flavorful oils and bold, complex flavors in your gourmet coffee beans.

**High-Quality Durability** – Equipped with a heat-resistant borosilicate glass carafe, a stylishly-designed protective layer that doubles as a safety handle, and a 4-level stainless steel plunging system with a mesh filter for fine filtering.

**Amazing Versatility** – With this French Press, you aren't limited to just coffee. You can use this diverse tool to make decadent loose-leaf teas, fresh-pressed juice, fruit-infused water, sangrias, cocktails, or even wash quinoa and strain veggies!

**Incredible Value and Practical** – Comes with a FREE bonus Ovente measuring scoop (7 grams) to ensure you get the perfect cup of coffee every time. Gives you superior quality for less, and all parts are dishwasher safe.

**US-based Customer Service** – Buy with confidence! Ovente warranties that the product shall be free from defects in material and workmanship under normal use and conditions, for 1 year from the original purchase date.
