

Ovente Pet Hair Vacuum Cleaner Attachment Brush (ACPST2510)

Key Features

- EFFICIENT** – Deep cleans and removes pet hair and even dust mites from your sofa and other surfaces.
- DURABLE** – Made of heavy-duty plastic and durable hair-like fibers that quickly and expertly collect hair, fur, dander, mites, and more.
- UNIVERSAL** – This part fits most canister vacuum models with ease.
- EASY TO CLEAN** – Disassemble the pet/sofa brush by twisting the neck to unlock, turn knob head all the way back, then split the attachment in two to remove the hairs inside. Then rinse with water.
- COMPATIBLE** – With the Ovente ST2000/2010, ST2500R/2510R, and ST2620 model vacuums available in a variety of colors including red, green, orange, and black.
