## Key Features

**1875W MOTOR** – The Ovente Professional Hairdryer with tourmaline technology is armed with a robust and powerful motor that not only dries the hair but also leaves it shiny, smooth and healthy.

**2-SPEED AND 3 HEAT SETTINGS** – Features versatility with multiple heat settings perfect for any hair type. It also comes with two concentrator nozzles that help to target and eliminate frizzy hair.

**BUILT-IN CERAMIC COATING** – Comes with heat control technology that distributes heat evenly to dry your hair faster. Ionic technology helps break down water molecules in the hair, restoring glow and making your hair look hydrated and well-conditioned, while Tourmaline technology helps smoothen and make the hair frizz-free by sealing the cuticle and retaining moisture.

**WEIGHT-BALANCED AC MOTOR** – Specifically designed for professional hairstylists, this blow dryer's mechanism is powerful and long-lasting.

**COOL-SHOT BUTTON FEATURE** – Provides a continuous flow of cool air to help keep hairstyles in place. This hairdryer also has an extra-long cord and a ring that can be hung on a hook for easy storage.

**LIGHTWEIGHT & PORTABLE** – This Ovente hairdryer is not heavy; it's easy and convenient to pack when you travel, so you can look your best no matter where you are.

**LIMITED 1-YEAR WARRANTY** – This Ovente product has a 1-year warranty period from the date of purchase from an authorized retailer. This warranty only covers defects in workmanship and materials. Please note that you must provide proof of purchase to request a repair or replacement.
