

# Ovente Professional Hand Mixer (HM161 Series)

## Key Features

**5 MIXING SPEEDS** – The Ovente HM161 Series Hand Mixer has a sliding speed selector wheel with 5 mixing speeds to help you create a customizable texture and consistency for any recipe.

**POWERFUL 150-WATT MOTOR** – Smoothly blends ingredients with its 150-Watt motor power.

**ALL-AROUND CHROME BEATERS** – Comes with 2 chrome beaters that are ideal for mixing different ingredients, such as egg whites, nuts, chunky ingredients, chocolate chips, and heavy cream together with ease.

**SAFE & ERGONOMIC** – It features a beater eject button that allows safe removal of the chrome beaters. Additionally, the shape of this lightweight hand mixer makes it comfortable to use and easy to hold.

**EASY TO CLEAN** – Simple press a button to eject the beaters, then hand wash them or place them in the dishwasher. To clean the exterior, wipe the mixer's body with a soft, damp cloth.

**SPACE-SAVING** – Includes a snap-on storage container that neatly holds mixer accessories such as its beaters, power cord, and more while the mixer body sits securely on top.
