Steady Mixing Prowess With The Suction Cup At The Base

Key Features

FOR SWEET AND SAVORY TREATS – Want to mix cupcake batters or puree mashed potatoes for your kids? With the Ovente Electric Professional Stand Mixer Series, you can do so without getting your hands dirty. It has 6 precision speeds to handle all blending and whipping tasks for a wide variety of recipes.

KNEAD, WHIP, AND MIX INGREDIENTS WITH EASE – Equipped with a high-performing 300W motor, this mixer is made for stirring, kneading, beating, whipping or mixing food ingredients. With this kitchen workhorse, you can cream cold butter and whisk air into cakes in a blink of an eye!

COMPLETE WITH THE RIGHT ATTACHMENTS – The stand mixer comes with a stainless steel mixing bowl. Plus, it has two kinds of attachments: two whisks for aerating your batters and two dough hooks for kneading dough.

EASY TO USE – You can add more ingredients into the mixing bowl even while it is operating. Simply reduce the speed to 1 or 0 and push the adjustment lever down and then right. Then, little by little, add new ingredients into the mixture.

YOUR INVESTMENT IS FULLY GUARANTEED – At Ovente, we aim to make your life easier by producing top-quality housewares, designed with you in mind. We have pledged to uphold all our offerings to the highest standards and we back all our kettles with a two-year warranty from the date of purchase from an authorized retailer. This warranty covers defects in workmanship and materials.
