

Ovente Reversible Electric Grill and Griddle with Heat Tempered Glass Lid (GR2001B)

Key Features

- 2-IN-1 HEALTHY GRILL & GRIDDLE** – Detachable and reversible ceramic non-stick coated plates come with grill holes that drain excess fats and oils, and a drip tray to catch it all with ease.
- PRECISE HEAT** – We know that getting the right temperature is crucial to making a delicious meal, so we included an adjustable/removable temperature control knob for precise heat settings.
- PRESENTABLE & PRACTICAL** – The removable heat-tempered glass cover not only makes your dish look highly presentable, it also keeps your food hot, moist, and crispy while preventing splatters and messes.
- EFFICIENT** – 120V, 1700-Watts of power is ideal for grilling or searing steaks, chicken, fish, chops, burgers, and vegetables.
- INCREDIBLE VALUE** – Get more bang for your buck—GET 2 COOKWARES FOR THE PRICE OF 1! This grill/griddle also comes with a FREE scraper and recipes in the manual.
