

Ovente ST1600 Series Filter Set Household-Canister-vacuums (ACPST16712)

Key Features

ULTRA-FILTRATION LEVEL: 99.9% – The Ovente Canister Dust Bags and HEPA Filter offer vacuum cleaning with ultra-filtration level. This replacement set absorbs 99.9% of all dust particles, such as microscopic particles and allergens. Ideal for anyone who suffers from allergies, asthma, chronic obstructive pulmonary disease, or other respiratory conditions.

MAXIMUM PERFORMANCE – Ensures ultimate utilization, because it can collect a huge amount of dust particles; thus, it can protect your home from unwanted dust, and helps improve your family health.

GREAT FIT FOR ST1600 VACUUM – This premium filter replacement set is designed for ST1600 series and does the complete job in advanced filtration. The ST1600 canister vacuum features an advanced filtration system: Dust bag and HEPA Filter that is very efficient in trapping large amount of small particles.

ENVIRONMENTAL-FRIENDLY – Ovente canister vacuum dust bags are made of paper to promote eco-friendly lifestyle for clean and safe disposal of the filtration dust bags.

CONVENIENT & DURABLE – This premium filter replacement set is easy to attach, and best for long-lasting use.
