

Ovente Stainless Steel Deep Fryer 0.9 Liter (FDM1091BR)

Key Features

ADJUSTABLE – With a temperature control range from 176 to 374° F, you can fry a wide range of different foods such as fries, fish sticks, mini donuts, chicken nuggets, zucchini fries, mushrooms and more. It also features a user-friendly guide imprinted on it for easy frying without needing recipes.

EFFICIENT – Its powerful 840-Watt concealed heating element easily fires up the deep fryer's 5-inch depth and full capacity of 3.8 cups (0.9L/30 oz) in just a few minutes!

SAFETY FEATURES – This deep fryer is much safer to use than a big pot. Its locking lid prevents splattering and reduces odor, while its cool-touch handles give you a safe and comfortable grip when handling.

EASY CLEAN-UP – This fryer features a non-stick coated interior and a removable fry basket for easy cleaning. To clean the exterior, simply wipe with a damp cloth.

COMPACT, ATTRACTIVE – This personal-sized deep fryer features brushed stainless steel housing that is sleek, modern, and flatters any kitchen countertop. Its compact size is perfect for small spaces like apartments, studios, dorms, and more.
