

Ovente Tabletop Vanity Mirror with Smart Touch 3-Tone Light 8 Inches (MHT80 Series)

Battery-Operated Mirror
4x AA Batteries (Not Included)

Key Features

COMPREHENSIVE – This dual-sided 360° swivel design luxury mirror features 1x–5x/10x magnification. 1x for a great view of your entire face all at once, and 5x/10x for precision, because every detail counts (8" diameter).

ELEGANT & STYLISH – Its elegant design creates a luxurious focal point while opening up small spaces. Available in two deluxe finishes: Nickel-Brushed and Antique Brass.

3 TONE LED LIGHTS – Last longer and use less electricity than all other types of lighting, helping you save money. SmartTouch Technology allows you to switch between cool, warm, or daylight light tones with just one touch!

PRACTICAL – Features a 15-minute timer that automatically shuts off the mirror to save energy.

BATTERY OR USB ADAPTER OPERATED – This mirror is operated by either 4 AA batteries or USB adapter (included), which allows you to charge your smartphone while using the mirror.
