

Ovente Tabletop Vanity Mirror with Wireless Speaker 6 Inches (MRT06 Series)

Key Features

COMPREHENSIVE – This dual-sided 360° swivel design luxury mirror features 1x5x magnification. 1x for a great view of your entire face all at once, and 5x for precision, because every detail counts (6" diameter).

WIRELESS SPEAKER & MP3 FLASH DRIVE COMPATIBILITY – With this unique mirror from Ovente, you can now listen to your favorite music, podcasts, audiobooks, or even talk on the phone directly through your mirror as you get ready!

RECHARGEABLE & CORDLESS – This mirror is powered by a built-in 2000mAh rechargeable battery which can be recharged by a USB Cable (included). This is perfect for people who want a clean, cord-free vanity space but don't want to keep spending money on batteries. It's also lightweight and portable!

COOL-TONE LED LIGHTS – Last longer and use less electricity than all other types of lighting, helping you save money. You also will never need to replace the light bulb, it will last for the lifetime of the mirror.

SLEEK, MODERN, STYLISH – Creates a luxurious focal point while brightening and opening up small spaces. Comes in three eye-catching finishes: baby pink with rose gold speaker, and white or baby blue with chrome speakers.
