

Ovente Universal Multi-Angle Brush Vacuum Attachment for Canister Vacuum (ACPST2675)

Key Features

- EFFICIENT** – Deep cleans a multitude of surfaces, especially hard-to-reach areas such as tall ceilings, tops of bookshelves, cabinets, and lighting.
- DURABLE** – Made of heavy-duty plastic and durable hair-like fibers that quickly and expertly collect dust, dirt, small particles, and more.
- UNIVERSAL** – This part fits most canister vacuum models with ease. Its diameter is 1.26 inches.
- EASY TO CLEAN** – Just rinse with water and let dry.
- COMPATIBLE** – With the Ovente ST2000/2010, ST2500R/2510R, and ST2620 model vacuums available in a variety of colors including red, green, orange, and black.
