

Ovente Wall-Mounted Vanity Mirror with Dimmable Lights 9.5 Inches (MLW45 Series)

Key Features

COMPREHENSIVE – This dual-sided 360° swivel design luxury mirror features 1x/7x/10x magnification. 1x for a great view of your entire face all at once, and 7x/10x for precision, because every detail counts (9.5" diameter)

SLEEK, MODERN, STYLISH – Creates a luxurious focal point while brightening and opening up small spaces. It also hides wall imperfections behind its high-grade stainless steel base.

DIMMABLE LED LIGHTS – Last longer and use less electricity than all other types of lighting, helping you save money.

PRACTICAL – Its extending arm is ideal for rooms with limited space, giving it an opulent spa-like ambience. It also has a 15 min timer so it shuts itself off for you—in case you forget—to save energy.

BATTERY AND/OR USB ADAPTER OPERATED – It's up to you to decide how you want to use it! The 2-port USB adapter allows you to simultaneously charge your smartphone while using your mirror.
