

Ovente Wall Mount Mirror, 1x/7x Magnification, LED Ring Light, 8.5", Battery-Operated (MFW85ABZ1X7X)

Key Features

Additional Info

DUAL MAGNIFICATION – Allows user to have a better and zoomed view of the image highlighting small details and spots.

DISTORTION-FREE REFLECTIVITY – Gives only the actual image of the subject with no changes in shape or color making it perfect for makeup application, shaving, and tweezing out unwanted hair.

DUAL-SIDED MIRROR – Enables two people to use it at once, saving time as it works like two mirrors.

360° SWIVEL DESIGN – Allows user to have access on different angles that will give a better perception of the subject. In case two people are using it at once,

SKU	MFW85ABZ1X7X
Magnification	1x/7x
Finish	Antique Bronze
Weight	3.0000
Size	X3400BR
PROP 65	N/A

one can stand while the other one is sitting so they can both use it comfortably.

COOL LED RING LIGHT – This LED light-equipped mirror ensures both a crystal-clear reflection and an illumination that simulates natural lighting. Rest assured you'll never leave the house with an uneven blush or heavily pigmented eyeshadows because it doesn't alter real-life colors

EXTENDING ARM – Perfect for anyone tight on vanity counter space, this mirror is designed with an extending arm that can be smoothly extended and pulled out. Once done, the arm can be folded back to the wall again.

CLUTTER-FREE USAGE – This mirror features a cordless and clutter-free design so it's more convenient to use. It's also safe around children and pets as it prevents tripping and chewing of wires.

RUNS ON BATTERIES – It is powered by four AAA batteries as it saves the user's time. It can also be easily replaced with a new set of batteries when it runs out of power.
